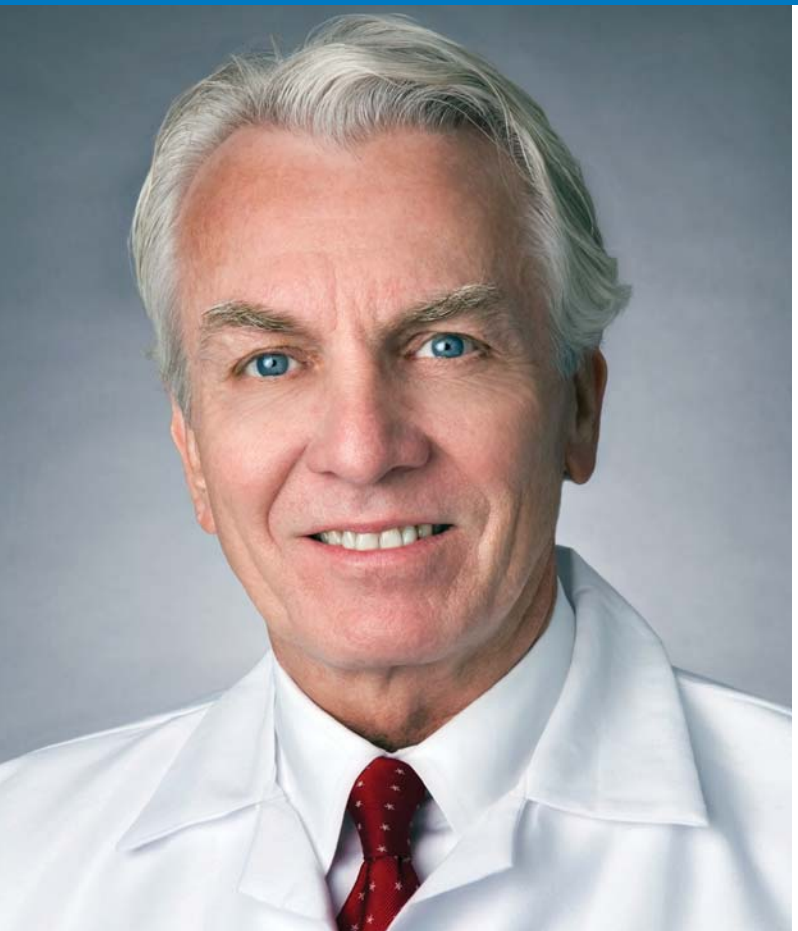
We welcome back Samuel Lang, M.D.



as Chairman, Cardiothoracic Surgery

New York Hospital Queens

HEART & VASCULAR CENTER

Bringing the newest technology, techniques and treatment to Queens

We are proud to welcome back Samuel Lang, M.D., as chairman of the Cardiothoracic Surgery Department. Dr. Lang, a skilled heart surgeon, held this position from 1996 to 1999, and then served for ten years as section chief of cardiothoracic surgery at St. Vincent Catholic Medical Center in Manhattan.

Dr. Lang earned his medical degree from the University of Alabama School of Medicine at Birmingham and completed his residency in general surgery at the UCLA Medical Center in California. He subsequently served as a fellow in cardiothoracic surgery at both New York University Medical Center and the UCLA Medical Center and accepted an honorary appointment as assistant in pediatric cardiac surgery at The Harley Street Clinic in London, England. He is board-certified in surgery and thoracic surgery.

Dr. Lang has held teaching positions at various prestigious medical colleges throughout the country including the Weill Medical College at Cornell University, New York University School of Medicine and UCLA. He has also served as visiting professor of surgery to The People's Republic of China in 1988 and Bolivia in 1989.

Dr. Lang has been published in such publications as *The Journal of Thoracic Cardiovascular Surgery*, *Annals of Thoracic Surgery* and *The Journal of Cardiovascular Surgery*, and the *American Journal of Medicine*.

If you would like to meet and discuss a case with Dr. Lang, call the Heart & Vascular Center at

718-670-2087.
