## Our Researchers Are Making News

**The Department of Emergency Medicine** presented the following research at the recent American College of Emergency Physicians Research Forum held in Denver, Colorado.

> "Barriers to Breast Cancer Screening as Preventive Health Measure Among Female Patients Presenting to the Emergency Department."
> **Nidhi Garg, M.D.** and **Sanjey Gupta, M.D.,** associate chairman, Emergency Medicine.
>
> "Renal Colic in Pediatric Emergency Medicine."
> **Anita Datta, M.D., R.D.M.S.,** director , Emergency Medicine Ultrasound; **Omar Corujo, M.D**.; **William Apterbach, M.D.**; **Gregg Rusczyk, M.D.** director, Pediatric Emergency Medicine; **Sanjey Gupta, M.D.,** assistant chairman, Emergency Medicine; **Marie-Laure Romney, M.D.,** associate director, Emergency Medicine Ultrasound and **Michael S. Radeos, M.D., M.P.H.,** research director, Emergency Medicine.
>
> "Resident Education in Ultrasound – Assessment of Identification of Basic Cardiac Anatomy and Pathology After a Multimedia Tutorial."
> **Anjali Bharati, D.O**.; **Anita Datta, M.D., R.D.M.S.**, director, Emergency Medicine Ultrasound; **Sanjey Gupta, M.D.**, assistant chairman, Emergency Medicine and **James G. Ryan, M.D.,** residency director, Emergency Medicine.
>
> "Resident Education in Ultrasound – Improving Identification of Abdominal Anatomy and Pathology after a Multimedia Tutorial."
> **Anita Datta, M.D., R.D.M.S.**, director , Emergency Medicine Ultrasound; **Anjali Bharati, D.O**. and **James G. Ryan, M.D.,** residency director, Emergency Medicine.

**Sanjey Gupta, M.D.,** assistant chairman, Emergency Medicine, has been appointed Chairman of the Research Council for the Wilderness Medicine Society.

**Bruce Spinowitz, M.D.,** associate director, Nephrology, and associate chairman, Medicine, is a co-author of the article "Peginesatide for Anemia in Patients with Chronic Kidney Disease Not Receiving Dialysis," recently published in the New England Journal of Medicine.

New York Hospital Queens

**Sidney Sternberger, D.M.D**, senior resident, Post Graduate Prosthodontics Program, received first place at the American College of Prosthodontics 2012 Annual Session for his research, "The Effect of Tissue Entrapment on Screw Loosening at the Implant Abutment Interface – an In-Vitro Study."

**Carl M. Urban, PhD**., director, Infectious Diseases Laboratory, recently conducted a lecture tour of hospitals in Australia and was an invited presenter at the annual meeting of the Australian Society for Antimicrobials (ASA). During his visit to Sydney, Melbourne, and Brisbane, Dr. Urban gave several lectures including: "Multi-drug resistant Gram-negative bacteria: Why do they persist and how do you treat patients infected with these successful clones?", "Emerging Gram-negative resistance in the health care setting; and *Escherichia coli* - the good, the bad and the ugly."
