We welcome Ezra Hangjun Jang, M.D., Ph.D.

as Attending Physician, New York Hospital Queens Family Health Center.

Expertise you trust. Service you deserve.

New York Hospital Queens is pleased to introduce Ezra Hangjun Jang, M.D., Ph.D., as Attending Physician, New York Hospital Queens Family Health Center. Board-certified in internal medicine, Dr. Jang joins New York Hospital Queens from Brookdale University Hospital and Medical Center, Brooklyn, New York.

Dr. Jang has a thorough understanding of how to best serve our multi-cultural community. He states, "When it comes to effectively responding to the area's diversity, there is no doubt that New York Hospital Queens plays a leading role. Our placement of multi-lingual staff in the right location is very prudent in terms of serving different cultures and ethnicities."

Dr. Jang's training includes:

- Residency, Internal Medicine, Brookdale University Hospital and Medical Center, Brooklyn, New York
- Ph.D. Bioorganic Chemistry, New York University, New York, NY
- M.S. Biochemistry and Chemistry, Long Island University, Brooklyn, NY
- Medical Degree, Hanyang University College of Medicine, Seoul, South Korea

The Family Health Center is located at 136-56 39th Ave., 2nd floor, Flushing, NY, 11354.

If you'd like to meet with Dr. Jang, please call him at 718-886-7014.

Expertise you trust. Service you deserve.
